# **We are producers** **12 months**

Since 2009, Alcoaxarquía has been producing and marketing avocado all year round.

## **Quality** all over the world

We control every stage of the process, from field to distribution, ensuring constant quality.

We have a processing capacity of 12,000 m<sup>2</sup> and 3,500 m<sup>2</sup> of refrigerating chambers.

## Good on the outside **and the inside**

We offer a variety of formats such as bulk, flow pack and net packagings with mango and avocado.

Quality Guaranteed. Our certifications support us and we are proud to meet all the necessary processes and requirements to demonstrate the good use and management of the product.
